Hurricane Michael Student Lessons

10/11/2018

Mrs. Davis

edavis@sfcshhi.com

Reading:

Please choose a book to read with your parents. Find at least two of our sight words in the book (see, like, and, the, I) and copy the words 3 times each.

Math:

Create the numbers 1-10 using materials at your home (pasta, play-doh, sticks, etc.) Show each to your parents.

Social Studies:

Draw and color a picture of a job in our community (hint: we read about these jobs and talked about what our parents do in our community). Once you are done, please label in words what your illustration is about.

Science:

1. Tell your parents what your 5 senses are.
2. Complete the Match Your 5 Senses activity.

Religion:

1. We have been discussing the Creation of the World.
2. Please have students complete the Story of Creation coloring sheet.

Saint Francis Catholic School

Music:

Feel free to email Mrs. Sweeney with any questions.

lsweeney@sfcshhi.com.

Try to get a group to play and sing: *Down by the Bay*

Make sure you sing loud and clear and that the last sentence that you make up, rhymes!

Ex. Have you ever seen a snake baking a cake?

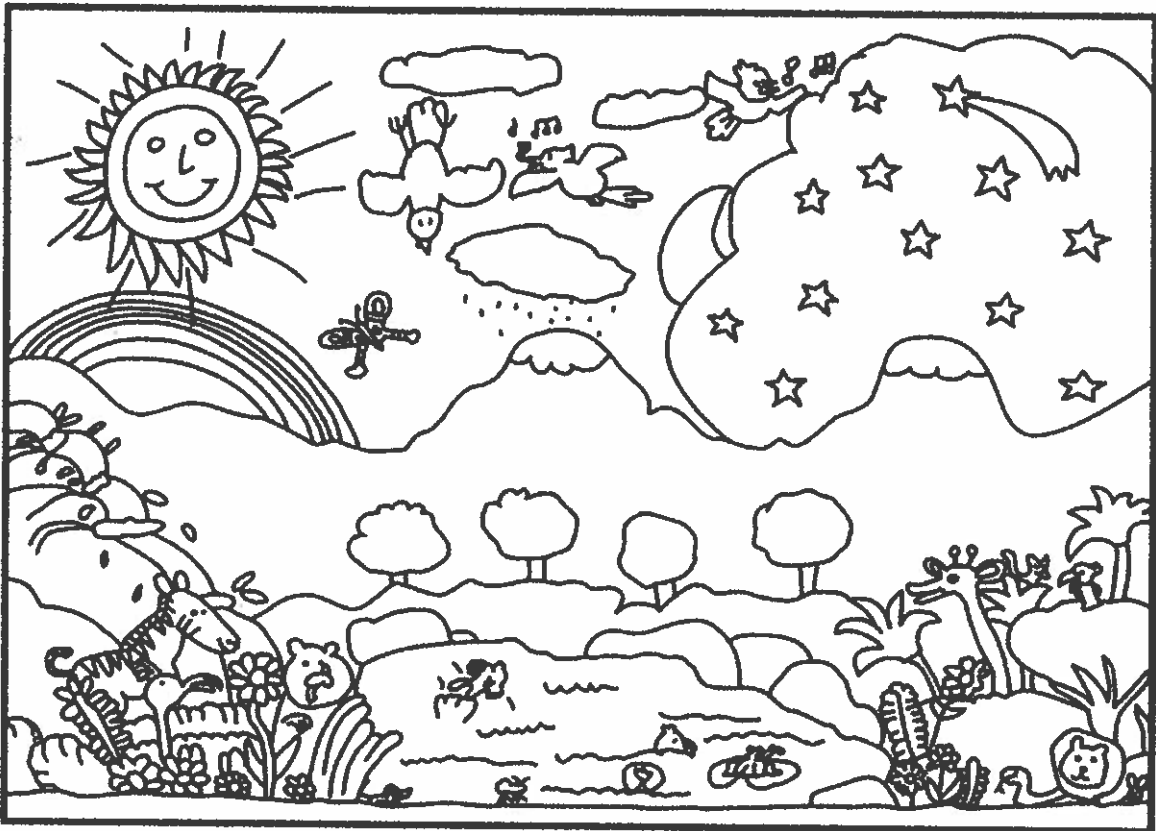

Match Your Five Senses

Which sense goes best with each picture?
Draw a line from the picture to the sense.

The Story of Creation

Genesis 1:1-23

Margarita Alexander, age 7
