## **Religion**

Continue to work on.....Sign of the Cross, Grace before meals and Angel of God Prayers

Before we say our morning prayer in Pre-K I ask each student what they would like to pray for. Everyone has a chance to share what or whom they are thinking of. Mrs. Tami and I always share our intentions as well. This might be a nice way to start your day.

We have also spent time discussing how God made us special! Tell your child 3 things that make them so special!

## **Reading/ Language Arts**

We have spent the past few weeks focusing on the letters Aa, Bb, and Cc. See if your child can find them in environmental print. Challenge them to come up with words that start with the same sound.

Have your child practice writing their name. If they are unable to write it have them trace your writing.

Read a bedtime story. Spend time talking about the story, Ask....what you see in the pictures? What do you think will happen next? Why?

## **Math**

We have spent time recognizing our shapes. Have your child practice making circles, triangles, squares and rectangles. Look for shapes in your environment.

## **Science**

We have studied living and non-living things. We have also discussed living things and their habitats. (The natural home or environment of a plant or animal)

Discuss the habitat of your child's favorite animal.

## **PE – Ms. Sandoval**

Please feel free to email me with any questions at [ssandoval@sfcshhi.com](mailto:ssandoval@sfcshhi.com).

Have your child do some type of physical activity for at least 30 minutes that involves any of the following PE skills.

Catching, throwing, running, walking, jumping jacks, skipping, jumping, and or galloping.

## **Media Science – Mrs. Safe**

If you have any questions the please feel free to email me at [tsafe@sfcshhi.com](mailto:tsafe@sfcshhi.com).

Read a book with your child before bed.
